

Fresh Food For  
A Hungry Universe<sup>SM</sup>

### How Pluto's Works:

1. Receive this personal guest check at any of our food stations.
2. Choose food from any of our food stations and have the server process your card at each station.
3. Present this card to our cashier and pay your total. This ticket is your pass. Don't lose it! You must have your card for the cashier to process. A lost card equals: A 3 day visit to your in-law's, 2 days slicing fresh vegetables or 1 day washing dishes, whichever you choose.
